QUOTABLE QUOTE

Something attempted, something done,
Has earned a night's repose.

HENRY WADSWORTH LONGFELLOW
The Village Blacksmith

Dedication

Violence, as defined in the American Heritage Student's Dictionary, is "physical force exerted as for causing damage or injury."

Most of us have been witness to one or more forms of this "force." Unfortunately, some of us have even been victims.

It is time to put an end to the violence that is plaguing our society. We must take a stance against perpetrators and guard ourselves from becoming caught up in the "web of violence" that is encircling America's youth.

WE, THE EIGHTH GRADE CLASS OF AUGUSTINE J. BELMONTE SAUGUS MIDDLE SCHOOL, DEDICATE THIS YEAR'S MEMORYBOOK TO CURBING VIOLENCE AND TO THE MANY VICTIMS OF VIOLENT ACTS.

JOHN A. SERINO, JR.
Principal

Dear Eighth Grader,

Congratulations on the successful completion of your Middle School education. Your teachers and I have enjoyed the many aspects of your continuing growth over the past three (3) years. Although this growth has varied from student to student we have hope and confidence that you will continue to progress as you invest more time and energy into your educational life.

This investment will provide you with the kind of growth that will not only benefit you over the next four (4) years in high school, but will impact the quality of your life over the next forty (40) years.

We have high hopes for Belmonte's class of '94', and Saugus High School's class of '98'. You can make it happen!

Sincerely,

John A. Serino, Jr.

"Ask not what your Country can do for you but what you can do for your Country"

Tribute to John F. Kennedy

On May 29th, 1917 in Brookline, Massachusetts, a son was born to Rose Fitzgerald Kennedy and Joseph Patrick Kennedy. That son was John Fitzgerald Kennedy, a future American leader who would become an inspiration to many. He was a 1940 graduate of Harvard University. He served his country as a United States Navy Lieutenant during World War II. For his service, he was awarded the Purple Heart, the Navy Medal and the Marine Medal, after his boat, the PT 109 was sunk in battle. He was sworn into office as the 35th President of the United States on January 20th, 1961. Thus began an era of a "people's president", admired and respected by most.

Thirty years have passed since an act of violence snuffed out the life of this very promising individual, robbing the country of an accomplished young leader. Gunned down by an assasin's bullet, on November 22nd , 1963 as his motorcade rounded a Dallas street corner, John F. Kennedy's life ended at the ripe age of 46. People throughout the world repeated that age old question, "WHY?" That in itself is a good question.

WHY DO WE CONTINUE TO ALLOW UNNECESSARY ACTS OF VIOLENCE TO INTERRUPT OUR LIVES????
